

Multi-Spindle Machines Capabilities

Machining Processes	Turning Slotting Knurling Grooving Reaming	Drilling Cross Drilling Tapping Cross Tapping Thread Rolling	Broaching Cut off
Machining Axis	3 axis		
Materials	Stainless Steel - 303 - 316 - 416 Phenolic Copper Brass	Steel Aluminum - 2000 Series - 6000 Series - 7000 Series	
Part Dimensions	7/8 max.		
Tolerances	±0.002		
Production Minimum	High Volume		
Lead Times Available	6-8 weeks (typical)
